CHAMPAGNE & SPARKLING

CHAMPAGNE
TAITTINGER
Reims

Champagne for the Independently Minded.
Champagne Taittinger's origins date back to 1734. Today it remains one of the few top houses actively owned, and run, by the family named on the label. With many of their Champagnes being matured in Taittinger's magnificent UNESCO World Heritage status 4th century Roman cellars, the hallmark of these wines is the high percentage of Chardonnay used, which gives them elegance, delicacy and finesse.

PRESTIGE REDS

Time, steady perseverance & care have enabled Jean-Philippe Janoueix to build up a fine portfolio of wine estates where sustainability is an achievement, not an ambition.

The vineyards encourage biodiversity with hand-harvested fruit which is twice-sorted before almost every drop is transferred by gravity.

Our company's close relationship with Jean-Phillipe allows us to offer this fabulous selection of Merlot-dominant wines.
