We have selected 2 high-quality blends. For filter coffee, Bulldog. This is single-estate Costa-Rican Arabica beans, lightly roasted and ground here in Scotland. For espresso and espresso-based coffees, we have Massimo – 100% Arabica beans, 70% Brazilian Santos and 30% Honduras. It is medium roast for a full, almost chocolaty flavour, perfect in any drinks combination.

Both are ethically sourced and are roasted in the latest high-efficiency, hot-air roasters in small batches then cooled in an air bath rather than with water to preserve flavour.
